
OUR IMPRINT

Four Friend, One Dream: the desire to create something unique, respecting the rhythms of nature.

This is what inspired the founding of our *21SAXA*, our rural dimension, and our ***ZERO***, the pure Extra-virgin Olive Oil, 100% made in Sicily.

OUR STORY. OUR VISION.

21saxa was born from a close look at our land and the wonders of biodiversity that it offers us. From here, our experiences merge and focus on a common mission: Reclaim our Land.

THIS IS ZERO
OUR OIL. OUR LAND. OUR BRAND.

FROM THE NORTHERN PARTS OF MONTI IBLEI
